Conifer Revenue Cycle Solutions Names Chief Information Officer

FRISCO, Texas – Conifer Revenue Cycle Solutions, Inc. today announced that Chris Tyler has been named the company’s chief information officer. He will lead the company’s strategic focus on its technology needs and solutions as they relate to existing business systems and those of new Conifer clients.

“Over the past 30 years, we have invested hundreds of millions of dollars to build a readymade system that is automated, adaptable and scalable to meet hospitals’ needs, and we are very excited to have someone of Chris’ caliber to help us take our industry-leading infrastructure to the next level,” says Conifer Revenue Cycle Solutions President Stephen M. Mooney. “Chris has vast experience with the systems we already have in place and the insight we need to make sure we continue providing [the best solutions possible](#) for the hospitals and health systems we serve.”

Mr. Tyler comes to Conifer with more than 13 years of service at Perot Systems Corporation, 11 of which were dedicated to Tenet Healthcare. Most recently, he served as Perot’s chief operating officer for the Tenet account with overall responsibility for both technical project delivery and day-to-day technical operations for hospitals across Tenet’s enterprise. During his tenure with the Tenet account at Perot Systems, one of
